

Lewisham Sports Consortium

Public Consultation
8th April 2016

Welcome to this public consultation event on the new sports and community centre proposed for Lewisham Sports Consortium. We are seeking the views of the club members and the wider community's views.

The following display boards identify the site and its context, the appointed design team's analysis and the architect's response.

On the final board we are asking for your thoughts on the scheme and how this new local amenity may affect you.

Existing cabins on site used as offices, changing rooms and storage

LEWISHAM Sports
Consortium
encouraging change
